## LET'S TALK SHOP

Come enjoy a collaborative session with LRK. We will see how design thinking can lead to creative solutions.

FEB  
**15TH**

### United Way Cohort - Session 2

Lets keep building! Design a pavilion, incorporate a roof, space plans, and add a unique design element to enhance creativity and functionality.

FEB  
**22ND**

### United Way Cohort - Session 3

Time for razzle dazzle. Add furniture, & annotations, then compile a sheet set with a cover page, floor plan, and elevation.

MAR  
**08TH**

MAR  
**22ND**

### Tiny Home Design

Join us to design and build your own tiny home using cardboard boxes while learning architecture skills!

APR  
**12TH**

### United Way Cohort - Session 4

Students will bring their designs to life by creating a polished mini presentation set, featuring a cover page, floor plan, and a stunning rendered perspective view.

APR  
**26TH**

### Brown Joy Workshop

Embark on a journey as we motivate and inspire youth with an engaging hands on workshop as we design for diverse enironments.
